EC – CERTIFICATE OF CONFORMITY

0956 - CPD - 1304

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the

**Fly ash to be used as type II filler
in concrete, mortars and grout
loss on ignition category A and B**

placed on the market by

**Vliegasunie B.V.
Postbus 265
4100 AG Culemborg**

and produced in the factory

**Petroleumhavenweg 1
1041 AB Amsterdam
Nederland**

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the approved body

BMC Certificatie

has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in annex ZA of the standard

EN 450-1:2005

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 28 February 2006 and remains valid until 31 January 2014 as long as the conditions laid down in the above mentioned standard and the manufacturing conditions in the factory and the factory production control itself are not modified significantly.

Gouda, 1 January 2011

Bouke Meekma
managing director
