has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the European Technical Approval **ETA-05/0168** were applied and that the product fulfils all the prescribed requirements, including those mentioned in table ZA.1 of EN 450-1:2005 + A1:2007.

This certificate was first issued on 28 February 2006 and remains valid until 31 January 2014 as long as the conditions laid down in the above mentioned standard and the manufacturing conditions in the factory and the factory production control itself are not modified significantly.
